Scripting and Programming: HTML, CSS, SCSS, Javascript, JSON, PHP, Python, SQL
Libraries: jQuery
Frameworks: React Native
Software: Apache, MySQL, Firebase, Git, Android Studio
Prototyping and Design: Figma, Adobe Creative Cloud

PROJECT EXPERIENCE

Junglecook   Fall 2024
- Developed a responsive multi-page CRUD web application using jQuery, meticulously crafted based on an Adobe XD prototype.
- Utilized and implemented an MVC model to reduce code duplication and keep the application organized.
- Implemented Google Firebase's User Authentication functionality to enable seamless login and logout processes for users.

Keurig Mock-up   Fall 2024
- Created a responsive mock-up of the "products" and "cart" pages of the Keurig website with seamless adaptation across various devices.
- Employed JSON and jQuery to efficiently manage and showcase available products, enhancing the user experience with dynamically generated content.

BCG Strategic & Experience Design Job Simulation on Forage   Spring 2025
- Built a research plan, developed primary research tools, and reviewed data to understand target customers' attitudes, needs and beliefs.
- Created a customer persona to inform new product ideas and presented these using a concept chart.

WORK EXPERIENCE

Resident Assistant   July 2023 - Present
Indiana University Indianapolis, Division of Student Affairs, Housing and Residence Life   Indianapolis, IN
- Foster community by initiating interactions with 150+ residents to create a sense of belonging and facilitate connections among peers.
- Engage in active listening to understand residents' concerns and provide empathetic guidance while referring them to appropriate campus resources.
- Serve as a resource and liaison for the Luddy School of Informatics, Computing, and Engineering Resident-Based Learning Community among 38+ residents.

Summer Conference Manager   May - August 2024
Indiana University Indianapolis, Division of Student Affairs, Housing and Residence Life   Indianapolis, IN
- Managed a hospitality team of 10-15 students responsible for preparing accommodations for 300+ conference attendees at a time, ensuring all guest needs were met prior to and during their stay.
- Served as an on-call resource for multiple hospitality teams across campus, providing guidance and troubleshooting support to ensure operations were smooth.
